The image shows a wireframe of a web application interface. At the top, there is a navigation bar with four tabs: "Yours portfolio", "Update stocks", "Charts", and "Buiseness news". The "Update stocks" tab is currently active, indicated by a darker blue background. Below the navigation bar, there is a main content area. On the left side of this area, there is a sidebar with the title "List of stocks" and a sub-section "List of stocks". In the center, there is a form with fields "Add amaount" and "Add stocks", followed by a large "Add" button. To the right of this, there is a section titled "Sell stocks" with a "Sell" button. At the bottom of the main content area, there is a list item: "• monit of updated portfolio". The background of the entire interface features a blurred image of a desk with stacks of US dollar bills and coins.
